

# Everyday Spirituality for the 21<sup>st</sup> Century

Based on his recent book, *Living Well in the Presence of God*, James Harlow Brown offers a compelling workshop that explores how ordinary people encounter God's grace and mature in their personal relationship with Jesus Christ.

The workshop has four sessions, each lasting 90 minutes:

1. Knowing God. Where is God? Why is it difficult to see God in our times? Recognising his presence in everyday life.
2. Practically speaking, how do you love God with your whole mind, soul and strength, while living in the world?
3. What is the role of lay people in bringing new energy into the church?
4. In the light of modern science, how can Christians tell the story of God's Plan?

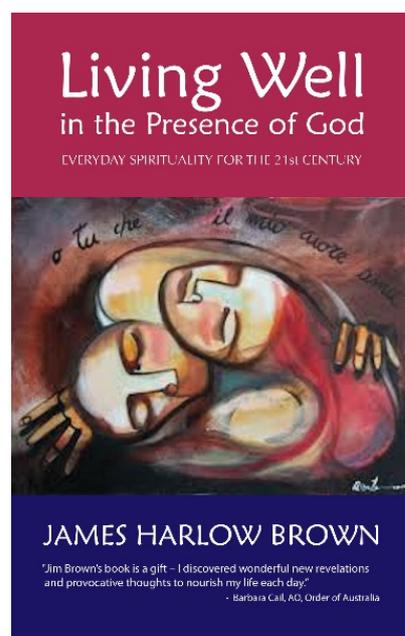

## Reviews of the Workshop and James' book

"Jim's book should be essential reading for anyone involved in church leadership, as well as those involved in Christian formation and teaching. His style is accessible and understandable. I highly recommend Jim as a speaker, workshop presenter and group discussion leader. I think one of his greatest strengths is in drawing out the experiences of people and helping to make sense of God's constant presence in our lives." Christopher Waterhouse, Director, St James Institute, St James King Street, Sydney

"I thoroughly enjoyed Jim's book and workshop sessions. It is written by a real person for real people. He describes his own encounters with God and makes you aware of when God nudges you. I realise, thanks to Jim, the many times God has prodded me, and look forward to more of the same." Ewen Tyler, St Martin's Hawksburn

"A beautiful book, a must read for anyone trying to live an authentic Christian life." Anthony Moore, former Professor of Theology at Georgetown University.

"James, who has lived all over the world and worked in such diverse places as the U.S. Marine Corps, NASA and IBM offers us this gift from the journey of his soul into an ever deeper, child-like trust in God's love. Thanks be to God!" Bishop Philip Huggins, Melbourne Australia.

## Flexible arrangements for the workshop for each parish

The four discussion sessions can be tailored to fit a parish's calendar of events – a 1-day workshop of 6 hours; two ½-day workshops of 3 hours each; four 1 ½ hour sessions on consecutive weeks. There is no charge for the workshop. It is highly recommended that attendees read Jim's book.
